

Clappered Snoots

Act as inlets on concealed, multiple inlet fire department connections. They feature an internal swinging drop clapper (check) which prevents the backflow of water.

Finishes include rough brass, polished brass, or polished chrome. All come standard with pin lugs.

Construction Material: Cast Brass

UL Listed

Part Number	Configuration	Finish
721RBA	2 ½" Female NST Swivel x 3" Female NPT Rigid	Rough Brass
