

## Female Swivel Snoots

Act as inlets in concealed and single-inlet fire department connections. They feature a wide hex-shaped flange to keep FDC wall plates secure and provide a finished look.

Finishes include cast brass, polished brass, or polished chrome. All come standard with pin lugs.

Construction Material: Cast Brass

| Part Number | Configuration                                  | Finish          |
|-------------|--|-----------------|
| 160RBA      | 2 ½" Female NST Swivel x 2 ½" Female NPT Rigid | Rough Brass     |
| 160PBA      | 2 ½" Female NST Swivel x 2 ½" Female NPT Rigid | Polished Brass  |
| 160PCA      | 2 ½" Female NST Swivel x 2 ½" Female NPT Rigid | Polished Chrome |

## Male Snoots

Act as outlets in concealed test headers and single-outlet connections. They feature a wide hex-shaped flange to keep FDC wall plates secure and provide a finished look.

Finishes include cast brass, polished brass, or polished chrome.

Construction Material: Cast Brass
