

## Hose Reels

Our swing type fire hose reels allow for the fire hose to be easily removed by pulling toward the fire area. The operator will be ready for action when the hose is completely removed, and the valve is opened.

Heavy duty construction with red baked enamel finish.

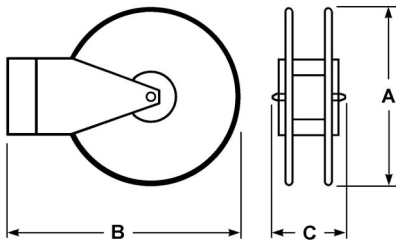

Solid, one piece slotted side wheels are separated by a molded poly hub, bolted together to form a sturdy unit.

Features a one piece wall bracket (12 gauge) for easy mounting with 180° swing.

Hose is double rolled from center of length, coupled to valve and nozzle.

Part #	Hose Diameter	Dimensions			Capacity		Weight
		A	B	C	Rack Hose	SJ Fire Hose	
REEL-R15-18	1½"	18"	23½"	6¼"	100'	75'	18 Lbs.
REEL-R15-24	1½"	24"	29"	6¼"	150'	100'	26 Lbs.
REEL-R25-24	1½" or 2½"	24"	29"	8¾"	1½" x 300' or 2½" x 150'	1½" x 200' or 2½" x 100'	33 Lbs.

## Hose Reel Covers

Our hose reel covers are made of reinforced bright red PVC material that allow them to be water and mildew resistant. The covers are fastened with velcro for quick release.

Part #	Size
REELCVR-RE18	For #REEL-R15-18 reel
REELCVR-RE24	For #REEL-R15-24 reel
REELCVR-RE2410	For #REEL-R25-24 reel
