

Sprinkler Head Escutcheons

Sprinkler head escutcheons provide a finished look to a sprinkler head installation. American Fire Supply offers a complete line of sprinkler escutcheons: 1-piece standard, 2-piece recessed, and 2-piece extended.

Specifications:

- All escutcheons are light gauge steel or plastic and are coated/plated for decorative purposes.
- 2 piece recessed, 2 piece extended, concealed, and various 1 piece options
- White and chrome finish options
