

Storz Hydrant Converter

Storz fire hydrant converters permanently convert a fire hydrant outlet from threads to a storz connection. Set screws are on the collar of the storz to ensure it's permanent fixture to a fire hydrant.

Specifications:

- Forged aluminum
- Cap & cable included
- Standard finish: Hard coat anodized (dark grey)
- 4" and 5" storz options
- Quick field retro-fit in under 10 minutes

Part #	Size	Notes
SZ4X45	4" Storz x 4½" F NST	Cap included
SZ5X45	5" Storz x 4½" F NST	Cap included
